**PREFACE**

Based upon the Southwest Texas Area Procedures manual and our collective shared experience, this document provides a broadly based general checklist of guidelines to assist the Districts, Groups, the Host Committee Chairperson, and the AA members of the Southwest Texas Area in the planning and implementation of Area and Local Assemblies, Conferences, Workshops, and Mini-Workshops.

The following functions are held in Southwest Texas Area 68 and are hosted by a local district and/or a group of districts.

2 Quarterly Voting Assemblies  
(April and October)

2 Quarterly Workshops  
(January and July)

An Annual PI/CPC Conference  
(August or September) Public Information and Cooperation  
with the Professional Community Committee

An Annual CFC Conference  
(February) Correctional Facilities Committee

These general guidelines were originally compiled to assist the Districts with Area Assemblies and Workshops; therefore, some of the check points may not apply for District or Group Mini-Workshops. However, because all of these are similar in nature, the guidelines should provide insight and assistance.

**I. Checklist for DCM**

- A. Approach the District(s) and make sure there is a cooperation and participation from the Groups.
- B. Check with the surrounding Districts and the Area Chairperson to make sure that the date of the function does not conflict with other AA activities.
- C. Approach the Area Chairperson well in advance of the District's desire to host an Area Assembly. Many Districts approach the Area at the time that the new Area chairperson is elected so that the Area calendar can be planned in a timely way.
- D. Inform the Area Delegate and Area Chairperson of the district's willingness to host a workshop as per SWTA Policies and Procedure Manual. Be sure that a meeting facility in your locality can accommodate at least 200-250 people. If there is more than one facility that meets the requirement(s), ask each to produce a written bid concerning pricing for their accommodations and amenities. *(See below for additional facility considerations)*
- E. Request assistance from other experienced AA members in the community, and work with the committee to find a place to host the event. Communicate at all times with the Area Chairperson concerning all the arrangements that are made about the site that is being considered.

Once the Area Delegate and Area Chairperson have approved the request, you are ready to get to work. **(Note: The outgoing Area Chairperson and the outgoing District Committee Member (DCM) organize the first January Winter Workshop. Do not forget to plan this well in advance.)**

**XVII. Appendix 1.**

**II. Checklist for the Host Committee**

- A. Plans for Area Assemblies must begin immediately  
after receiving the approval of the Area Chairperson to  
host the Area Assembly. Advance confirmation of the  
site is preferred. Secure a site to host the workshop.  
This site should be able to accommodate at least 200-250  
people and have the approval of the Area Chairperson.  
(**Note:** *The workshop attendance figures have ranged  
from 200-250 in the past. Also consider if this site can be  
partitioned off into smaller rooms, since we normally  
break up into small groups for Area committee meetings,  
service workshops, etc.*)
- 1. A copy of the contract is sent to the Area  
chairperson for review. The responsibility of all debts for  
an Area Assembly is to the Southwest Texas Area.  
Sometimes the Area Chairperson will sign the contract.  
This issue is left to the discretion of the individual DCM  
and the Area Chairperson.
- 2. Plan on guaranteeing at least 50 registered  
guests, 14 of whom are designated for Area Officers and  
Area Committee Chairpersons. For the PI/CPC and CFC  
Conferences, plan on guaranteeing at least 20 registered  
guests.  
(**Note:** *The "BLOCKING" of rooms is not the same as the  
"GUARANTEEING" of rooms. Rooms can be 'blocked' at a  
negotiated higher number insuring that the facility sets  
aside an adequate number of rooms for those who will be  
making reservations.*)

Check with the facility to see if they will extend check out time to 1:30PM or later so as to allow for packing and change of clothes.

- 3. The Hotel may donate a Conference Room and a Hospitality Room if rooms are guaranteed. Negotiate on this and other items such as coffee, and/or lower room rates.
- 4. Break-out rooms are needed at each event. Check with the Area Chairperson about how many are needed because each event has different space requirements. Be prepared to negotiate.
- B.** Once the contract has been executed, the committee plans other activities.
- 1. With the exception of the Pre-General Conference, CFC, and PI/CPC Conferences, the theme of the assembly/workshop will be determined by the host committee.
